

Declaration of permission for electronic archival of a publication

This form can be used to request permission from the publisher for the digital archival of your publication.

After you and the publisher have signed the declaration, you can send the form to the University Library at:

Igitur, Utrecht Publishing & Archiving services
Postbus 80.124,
3508 TC Utrecht

Note: The publisher of the book or article is responsible for the copyrights to any photos, figures, etc. If you are the publisher, you are responsible for any agreements that have been made (verbal or written) with other copyright holders.

**Declaration of permission for electronic archival of a publication
in the digital scientific archive of Utrecht University.**

Date:

Dear Madam / Sir,

The Utrecht University Library offers the possibility to digitally archive my publication and make it available via the Internet. This service is provided by the University on a non-commercial basis.

As the publisher of my work (article, book):

.....

(in the journal:

.....

Issue:

.....

)

I hereby request your permission for its digital archival by Utrecht University. The metadata and the article will be included in the digital scientific archive of Utrecht University. The metadata will include a reference to the journal and, if possible, to your website.

Please be so kind as to sign this form and return it to me.

Thank you in advance,

Declaration of permission for electronic archival of (part of) a dissertation in the digital scientific archive of Utrecht University

Date:

Dear Madam / Sir,

The doctoral candidate regulations of Utrecht University require my dissertation to be submitted and made available on the Internet via the university's digital archive. The University Library manages the digital archive on a non-commercial basis.

As the publisher of my dissertation / a part of my dissertation*:

Book title	Article title In the journal: Issue:
------------------------------	---

I hereby request your permission for its digital archival by Utrecht University. The metadata and the document will be included in the digital scientific archive of Utrecht University.

Please be so kind as to sign this form and return it to me.

Thank you in advance,
