

If you obtained an International or European Baccalaureate, or another non-Dutch diploma, please refer to www.uu.nl/bachelors/admission, as other enrolment instructions will apply.

Step 1: Studielink

1.1. Go to www.studielink.nl

1.2. If you have a Dutch address click on *Log in with DigiD*. It takes about 5 working days before you receive your DigiD.

If you only have a non-Dutch address, you will need to select *Create Studielink account without DigiD*. You will have to fill in most of your personal details yourself.

Please note that if you do have a Dutch address, you will be required to log in with DigiD. It will not be possible to continue creating an account.

1.3. Enter your personal details: *first name, email address, phone number and language preference*.

We will use your email address for important notifications about your application.

If you have Dutch qualifications (or are registered at a Dutch address) Studielink will automatically connect with the BRP (*Basisregistratie Personen*) and DUO (*Dienst*

Uitvoering Onderwijs) to load all your other personal details.

1.4. Add your previous education / degree if there is information missing.

After activating your account, you can submit an enrolment application.

Step 2: Submit enrolment application

2.1 Select the programme you plan to apply for. Fill in the required information about the start of the programme, and answer the *institutional questions*. Please note: read carefully, as the questions contain important information on the admissions- and enrolment process at UU.

2.2 After answering all the *Institutional questions*, you will see an overview of the answers you've given. Make sure to check these details carefully.

2.3 Click *Confirm* once you have checked your details.

You will now be forwarded to your personal Studielink dashboard.
