How do I travel to the Bachelor’s Open Day?

- Be sure to leave home on time, so that you’ll have a relaxed start to your open day experience.
- The open day attracts around 15,000 visitors. We suggest you travel by public transport, as it can be quite busy and parking space is limited.
- Check in advance where you need to be and take into account a possible travel time between the information locations.

**BIJLHOUWERSTRAAT (CITY CENTRE)**
- Bijlhouwerstraat 6
  - Bus 12 / Stop Sterrenwijk

By bus:

- Bus 12 connects Utrecht CS to Utrecht Science Park, the International Campus and Bijlhouwerstraat.
  - Utrecht CS: Jaarbeurszijde, platform C8.
- Bus 28 connects Utrecht CS to the city centre and Utrecht Science Park.
  - Utrecht CS: Centrumzijde, platform A4.
- Bus 8 connects the city centre to the International Campus.
  - Utrecht CS: Jaarbeurszijde, platform D2.

By bicycle:

- Our locations are easily accessible by bicycle. Are you coming in by train, and would you like to experience Utrecht by bike? Then be sure to rent an OV-fiets (public transport bicycle) at the train station. It’s just 10 minutes by bike from Utrecht CS to the city centre, 15 minutes to the International Campus and about 20 minutes to Utrecht Science Park. More info: ov-fiets.nl.

Please note! Only park your bicycle in the available bicycle racks. The city removes wrongly parked bicycles on a daily basis.

By car:

- We advise you to use public transport. Should you choose to come by car, then please keep in mind that you likely won’t be able to park near the entrance due to limited parking space.

Would you still like to come by car? Then follow the signs and the instructions of the parking attendants at Utrecht Science Park. Be sure to bring an OV chip card as well, so that you’re able to take a short bus ride should that be necessary.

Keep in mind that there are ongoing works around Utrecht Science Park, due to the construction of a direct tram connection to the Central Station. This tram line will be operational from 2019.
