Green Office Utrecht University is searching for a Student Coordinator ‘Making Tomorrow’-program

6 hours a week, volunteer fee

Green Office

Green Office Utrecht (GOU) is the platform for students and employees of Utrecht University where sustainable ideas are shaped, plans are put together and projects are launched, all with the objective to make the university more sustainable. It is the central hub where fresh minds and hands come together to support Utrecht University’s sustainable development. Green Office Utrecht makes the university’s policy tangible in the everyday reality of its students and staff members by informing them, involving them and empowering them to act.

Making Tomorrow

In the academic year 2019/2020 Green Office Utrecht will start a new program: ‘Making Tomorrow’. The aim of ‘Making Tomorrow’ is to empower the community and to give recognition to good initiatives. Teams of students and/or staff will work on a concrete idea and way to implement it for a period of a few months up to half a year. Ideas can range from a one-time event, to structural changes within the boundaries of the university. Original ideas with large impact have the biggest chance of winning one of the awards! People can come up with their own ideas, join another team or choose an idea from the ‘Making Tomorrow List of Inspiration’. Support by the Green Office is possible, but organization and implementation are the responsibility of the team.

Tasks

- Form the outlines of the Making Tomorrow program together with the GOU manager
- Setting up a communications plan together with the GOU communications team
- Recruiting Teams
- Organising a Kick-Off
- Organising the Award Ceremony/Gala as part of the Sustainability Summer Party

You are a student at UU or recently graduated (no longer than one year ago). You have some experience in working for student associations or in student committees. You are critical in a constructive way and you are open to new and innovative ideas. You are good at social interaction, have a proactive attitude and are creative.
