</table>

* Electives period 3:
- Mergers and Acquisitions
- Multinational Organisation
- Entrepreneurial Finance
- Sustainable Entrepreneurship
- Management Control Systems
- Financial Regulation
- Asset Pricing
- Energy and Environmental Economics
- Economics of Global Challenges
- Behavioural Economics and Public Policy
- Public Policy and Competition
- Algorithms in Finance

Please note that in period 3 not all course combinations are possible (you can only combine courses when they are scheduled in different time slots). In addition, for some courses specific pre-knowledge is essential.

The names of the courses may slightly change as of next year.
