

CURRICULUM VITAE

PERSONALIA

Name: Elske Salemink
Email: E.Salemink@uu.nl
Nationality: Dutch
Marital status: Living with partner, two children (2011, 2016)

EMPLOYMENT

2018 – now Associate Professor, Department of Clinical Psychology, Utrecht University
2009 – 2018 Assistant Professor, Department of Developmental Psychology, University of Amsterdam
2008 – 2009 Post-doctoral researcher, Department of Clinical Psychology, Utrecht University
2004 – 2008 PhD student, Department of Clinical Psychology, Utrecht University
2002 – 2004 Academic Research Assistant and Junior teacher, University of Maastricht
1998 – 2002 Student-teacher, University of Maastricht

EDUCATION

2006 – 2011 Post-doctoral clinical training, Cognitive Behavioural Therapy, at various treatment centers: Ambulatorium (Utrecht University); Arkin (JellinekMentrum); Uva Minds; de Bascule
2004 – 2008 PhD-student, Utrecht University. Believing is Seeing: The causal role of interpretive bias in anxiety, Supervisors Prof. Dr. M. A. van den Hout, Prof. Dr. M. Kindt
1997 – 2002 Health Sciences, University of Maastricht. Major: Mental Health Science. *Cum Laude* (With Distinction)

QUALIFICATIONS

2019 Senior Research Qualification, Utrecht University
2011 Cognitive Behavioural Therapist Registration, VGCT
2008 Basic Teaching Qualification (BKO), granted for experience in lecturing (bachelor and master phase), tutorials, and thesis supervision, Utrecht University

GRANTS, AWARDS, PRIZES, FELLOWSHIPS, SCHOLARSCHIPS

In total, I have received €2.366.500 of grant funding as a PI or co-PI, which includes several PhD students and the prestigious personal VENI and VIDI grant by the Netherlands Organisation for Scientific Research. In addition, I have received €1.235.901 as a project member. In total, I have received **€3.602.401** grant funding.

Grants: main applicant (Primary Investigator, PI or co-PI)

2019 NWO VIDI Grant (PI): 'Time for Change: Sensitivity to Experimental Perturbations as a Predictor of Anxiety Improvement in Treatment' (VI.Vidi.195.041) (€800.000,-)
2019 NWO ASPASIA Grant (PI), (i.e., highest ranking within the domain Social Sciences and Humanities, 015.014.061) 'Understanding and improving anxiety treatment' (€200.000,-)
2019 HUJI/UU Centre for Partnership in Science (HUPS) seed money (PI; together with Jonathan Huppert, Eyal Kalantroff, Iris Engelhard): 'Same problem – Different outcomes: Novel, experimental approaches focusing on learning curves to predict and improve anxiety-related treatment response' (€13.000,-)
2019 Partnership Collaboration Award, the University of Sydney – Utrecht University (PI): 'Transcending borders: Expanding the reach and impact of online interventions for mental health and alcohol use disorders' (€18.000)
2018 Seed Money Grant, Utrecht University (PI): 'Are you ready? Sensitivity to Experimental Perturbations as a Predictor of Anxiety Improvement in Treatment' (€5.000,-)
2017 Grant Yield, Research Priority Area 'Child Development and Education', UvA (co-PI): 'Same problem, different causes: Individualized explanations for susceptibility to peer influence in adolescents with mild-to-borderline intellectual disabilities'. PI Prof. Huizenga (University of Amsterdam) (€200.000)
2016 Research support grant, University of Amsterdam (PI) (€25.000)
2015 Grant Yield, Research Priority Area 'Child Development and Education', UvA (PI): 'Enhancing the effects of attentional retraining and CBT for social anxiety' (€200.000)
2015 Research Assistant Grant, University of Amsterdam (PI). (€1.500)

- 2014 Grant PhD round Developmental Psychology, UvA (PI, together with B. Jansen): 'The missing factor in Math Anxiety: The role and modification of cognitive biases and executive functioning' (€200.000)
- 2011 Grant the Netherlands Organisation for Health Research and Development, ZonMW (PI): 'Always look on the bright side of life: Increasing emotional resilience in adolescents by training cognitive processes to prevent anxiety and depression' (200210010, €374.000)
- 2010 NWO (Dutch Scientific Organisation), VENI Grant (PI): 'Triple A: Anxiety, Alcohol and Automatic cognitive biases' (451-10-029, €250.000)
- 2009 Grant-in-aid (PI), British Council Partnership Programme in Science (PPS RV01, €1.120)
- 2007 Research grant (PI) for post-doc position, Utrecht University (€80.000)

Grants: Project member

- 2020 Lifespan Seed Grant, Sydney University, Australia: 'Preventing the escalation of anxiety and alcohol use during the transition to young adulthood: Pilot trial of the Re-Train Your Brain cognitive bias modification program.' Prior, K. (PI), Stapinski, L., Baillie, A., Abbott, M., Teesson, M., Salemink, E., Wiers, R., Teachman, B., Manning, V., Logge, W., Peeters, M., McLellan, L., & Mahoney, A. (€6.224,-)
- 2019 Lifespan Seed Grant, Sydney University, Australia: 'Anxiety and alcohol use during the transition to young adulthood: Can we re-train the brain?' PI K. Prior (Sydney University, Australia) (€6.224,-)
- 2018 Behavioural and Social Research Grant, the Dutch Kidney Foundation: 'Towards vitality: Proof-of-concept trial of a user-friendly Cognitive Bias Modification e-Health intervention to minimize fatigue and foster vitality in (pre-)dialysis patients'. PIs M. Pieterse & C. Bode (University of Twente) (€105.760)
- 2017 Pioneers in Health Care Voucher of the University of Twente. 'Personalized mobile alcohol avoidance training to reduce alcohol consumption in problem drinking gastroenterology patients'. PI M. Postel (University of Twente)
- 2015 Sara van Dam Grant, Royal Dutch Academy of Arts and Sciences: 'Emotion regulation strategies in childhood and adolescent trauma: Theoretical relations and clinical applications'. PI B. van Bockstaele (UvA) (€99.846)
- 2015 Research and Development Grant: 'The transmission of depression from parent to child: a trans-generational study of attention and interpretation biases'. PI B. Platt (University of Munich, Germany) (€51.071)
- 2015 Grant Dutch Scientific Organisation (NWO) Creative Industry – Knowledge Innovation: 'Breindebaas' app: Accessible cognitive bias modification training for alcohol addiction'. PI M. Postel (Tactus / TU Enschede) (€15.000)
- 2014 Research Grant National Center for Responsible Gaming: 'Modifying the Automatic Approach Bias toward Gambling Stimuli in Problem Gamblers: A Novel Intervention for Changing Excessive Gambling Behavior'. PI S. Stewart (Dalhousie University, Canada) (€118.000)
- 2014 Research Collaboration Grant: 'The relationship between cognitive bias modification and emotion regulation: The missing link'. PI L. Notebaert (University of Western Australia) (RA/1/1200/567, €10.000)
- 2014 Grant Dutch Foundation Mental Health: 'De effecten van een kortdurende computergestuurde behandeling voor angst bij jongeren met een lichte verstandelijke beperking'. PI M. van der Molen (Free University Amsterdam) (€25.000)
- 2014 Grant Mental Health Institute sHeerenLoo: 'De effecten van een kortdurende computer-gestuurde behandeling voor angst bij jongeren met een lichte verstandelijke beperking'. PI M. van der Molen (Free University Amsterdam) (€40.000)
- 2013 Grant NWO Gather: 'The NextLevel: Gamedesign principles for effective e-health-based mental healthcare therapy'. PI V. Visch (Technical University Delft) (€590.000)
- 2013 Grant Dutch Foundation NutsOhra: 'Denk je beter. Een online training voor kinderen met een dwangstoornis'. PI L. Wolters (Bascule, Academic Medical Centre, Amsterdam) (1204.035, €175.000)

Awards and Prizes

- 2019 Research Network Collaboration Award, The University of Sydney, Australia: '*Emerging adults who drink to cope with anxiety: Can we re-train the brain?*' PI K. Prior (Sydney University)
- 2017 Honorable mention for the "Brein de Baas" app in the category Tools at the Dutch Interactive Awards, in collaboration with Tactus Mental Health Care and Factor.e
- 2016 Poster award L. Wolters, supervisors E. Salemink & E. de Haan. Dutch Knowledge Centre

	Anxiety and Depression, Amersfoort
2014	Early Career Scientist travel and attendance award from Jacobs Foundation for Conference regarding Cognitive Bias Modification in Child and Adult Anxiety, Switzerland
2013	Poster award S. de Winter, supervisors G. Bosman & E. Salemink. The Dutch Association of Behaviour and Cognitive Therapy, Veldhoven
2011	Travel award ERAB (The European Foundation for Alcohol Research)
2008	Young researcher Award for Excellence for 2008 for Posters, British Association of Behavioural and Cognitive Psychotherapies Annual Conference, Edinburgh, Scotland
2006	Annual article prize 2006, Dutch-Flemish research school Experimental Psychopathology

Fellowships and Scholarships

2020	Visiting Fellow Forrest Research Foundation, in collaboration with Julie Ji from the University of Western Australia, Perth, Australia
2015	Visiting Fellowship Award from the Center for Advanced Studies of the Ludwig-Maximilians-Universität München to visit the Department of Child and Adolescent Psychiatry, Munich, Germany
2005	Scholarship from the Dutch Prins Bernhard Cultuurfonds (€3.303)
2005	Trajectum scholarship, Utrecht University (contribution to my stay at the University of Western Australia, Perth, Australia, during my PhD project) (4.000)

MANAGEMENT / ADMINISTRATION

2019-now	Management team (daily board) member, Clinical Psychology, Utrecht University
2019-now	Advisory committee member for the development of four interdisciplinary thematic courses, Bachelor phase, Utrecht University
2018-2019	Co-chair of the Experimental Psychopathology Lab, Utrecht University
2017-2018	Coordinator Track Clinical Developmental Psychopathology, University of Amsterdam
2017	Founding member of the international Association for Cognitive Bias and Modification
2015-2018	Vice-chair and Member of the Faculty Ethics Review Board, University of Amsterdam
2015-2018	Member of the work place committee, Developmental Psychology Department, University of Amsterdam
2009-2011	Member of the Research Committee Developmental Psychology, University of Amsterdam
2005-2008	Organizer weekly lab meetings Experimental Psychopathology, Utrecht University

SUPERVISION ACADEMIC STAFF

PhD Supervisor (Promotor): n = 2

2020-now	V. Bouwman (UU), 'Time for Change: Sensitivity to Experimental Perturbations as a Predictor of Anxiety Improvement in Treatment'
2018-now	E. Wagemakers (UvA), 'Same problem, different causes: Individualized explanations for susceptibility to peer influence in adolescents with mild-to-borderline intellectual disabilities'

PhD Supervisor (Co-Promotor): n = 10

2018-now	M. Huisman-van Dijk (UU), 'Symptom constructs in complex obsessive-compulsive, anxiety and trauma disorders'
2018-now	E. Landkroon (UU), 'Novel ways to optimize anxiety treatment'
2015-now	H. Austin (UvA), joint doctorate University of Western Australia – University of Amsterdam, 'Cognitive mechanisms underpinning drinking in response to valenced situations'
2015-2020	M. Nuys (UvA), 'The role of context in eliciting and modifying anxiety-linked attentional biases in social anxiety'
2015-2020	E. Schmitz (UvA) 'Missing factors in Math Anxiety: The role of emotional components, math behaviour, and cognitive biases in adolescents' math anxiety'
2014-now	M. Laurens (in collaboration with Technical University Twente and Saxion Hogeschool) 'Implicit processes in Addiction'
2013-2017	S. de Winter (in collaboration with KU Leuven) 'Middle childhood attachment from a cognitive perspective: The role of interpretation processing biases'
2011-2018	E. Beraha (UvA in collaboration with Solution Clinic) 'Baclofen, (how) does it work? The efficacy and working mechanism of high-dose baclofen in the treatment of alcohol dependence'
2011-2016	L. de Voogd (UvA) 'Always look on the bright side of life? The quest for an online cognitive training to prevent adolescent anxiety and depression'

2009-2019 D. van Deursen (UvA) 'Where is the bias? Measuring and retraining cognitive biases in problem drinkers'

Post-doc Supervisor

2020-now L. Mobach, Utrecht University
 2019-2020 J. Moriya, visiting post-doctoral researcher from Kansai University, Japan
 2015-2019 B. Platt, the Department of Child and Adolescent Psychiatry, Ludwig-Maximilians-University Munich, Germany
 2015-2018 A. Klein, University of Amsterdam and Free University of Amsterdam
 2014-2019 B. van Bockstaele, University of Amsterdam
 2013-2017 L. Wolters, Department of Obsessive Compulsive-, Anxiety- and Tic Disorders, Academic Center for Child and Adolescent Psychiatry, de Bascule, Amsterdam

MEMBER OF PHD COMMITTEES

International

2021 M. Wei, University of Wollongong, Australia
 2020 E. Doolan, University of New South Wales, Australia
 2019 S. Lisk, King's College, London, UK
 2018 R. Francis, University of Sydney, Australia
 2016 M. Black, University of New South Wales, Australia
 2015 S. Drysdale, the University of Sydney, Australia
 2013 M. Rowsell-Docherty, University of Essex, UK
 2013 A. Cooke, University of East Anglia, UK
 2012 T. Clarke, University of East Anglia, UK
 2012 W. Y. S. Chan, University of East Anglia, UK
 2009 S. Baert, Ghent University, Belgium

National

2021 M. van Teffelen, Maastricht University
 2020 N. AlMoghrabi, Erasmus University Rotterdam
 2019 J. de Lijster, Erasmus MC-Sophia, Rotterdam
 2019 H. Elgersma, University of Groningen
 2019 W. Hiemstra, Utrecht University
 2019 J. Lely, Utrecht University
 2018 R. van Niekerk, Radboud University Nijmegen
 2018 I. Kampmann, University of Amsterdam
 2015 M. Hemel-Ruiter, Groningen University
 2015 C. Menne-Lothmann, Maastricht University
 2014 C. Eberl, Radboud University Nijmegen
 2013 M. Schoorl, University of Leiden
 2010 L. Vervoort, University of Amsterdam

OTHER PROFESSIONAL COMMITTEE WORK

2020 Committee /panel member Veni Grants, the Dutch Scientific Organisation (NWO), the Netherlands
 2015 Committee /panel member Talent Grants, the Dutch Scientific Organisation (NWO), the Netherlands
 2014 Member of the scientific committee organizing the Annual Conference for the European Association for Behavioural and Cognitive Therapies
 2010-2016 Member of the scientific committee organizing the Annual Conferences for the Dutch Association of Behavioural and Cognitive Therapy
 2009-2018 Regular member of Job Interview Committees for PhD student, post-doc and Assistant Professor positions at Department of Developmental Psychology, University of Amsterdam
 2009 Jury member of the annual article price Dutch-Flemish Research School Experimental Psychopathology
 2005-2007 Member of the Education committee of the Dutch-Flemish research school Experimental Psychopathology, PhD student representative

EDITORSHIPS

2020-now	Editor-in-Chief of the Dutch journal <i>Gedragstherapie (Behavioural Therapy)</i>
2019-2021	Associate Editor <i>Journal of Behavior Therapy and Experimental Psychiatry</i>
2019-now	Member of the Editorial Board of <i>Journal of Experimental Psychopathology</i>
2017-2019	Member of the Editorial Board of <i>Journal of Behavior Therapy and Experimental Psychiatry</i>
2016-2019	Associate Editor <i>Journal of Experimental Psychopathology</i>
2013-now	Member of the Editorial Board of the Dutch journal <i>Gedragstherapie (Behavioural Therapy)</i>
2010-now	Review Editor of <i>Frontiers in Psychopathology</i>

REVIEWER ACTIVITIES

Grant Proposals

2019	The British Academy, Small Research Grants, England
2017	The Dutch Scientific Organisation (NWO) Talent Grants, the Netherlands
2017	The Netherlands Organisation for Health Research and Development (ZonMW), the Netherlands
2017	The Israel Science Foundation, Israel
2014	The Research Foundation Flanders, "Postdoctoral Fellow" application, Belgium
2013	"University Research Project" at the University of Padua, Italy

Academic Promotions

2020	Academic Promotion, the University of Sydney, Australia
------	---

Journals

2007-now	Reviewer for Psychological Science; Clinical Psychological Science; Journal of Abnormal Psychology; Health Psychology, Behaviour Research and Therapy; BioMedCentral Psychiatry; Developmental Cognitive Neuroscience; PLOS ONE; Journal of Child Psychology and Psychiatry; Frontiers; Cognition and Emotion; Applied Cognitive Psychology; Emotion; Journal of Behavior Therapy and Experimental Psychiatry; Journal of Experimental Psychopathology; European Journal of Cognitive Psychology, Journal of Clinical Child and Adolescent Psychology, Journal of Abnormal Child Psychology, Cognitive Therapy and Research; Cognitive Behaviour Therapy, Journal of Obsessive-Compulsive and Related Disorders
----------	---

ORGANIZATION OF SCIENTIFIC MEETINGS

2019-now	Chair of the scientific committee for the Inaugural Conference Association for Cognitive Bias and Modification, Tel Aviv, Israel
2014	Member of the scientific committee organizing the Annual Conference for the European Association for Behavioural and Cognitive Therapies
2013	Organization of the one-day conference Cognitive Training, Affect Regulation and Developmental Psychopathology, Affect Regulation Priority Area, University of Amsterdam
2010-2016	Member of the scientific committee organizing the Annual Conferences for the Dutch Association of Behaviour and Cognitive Therapy
2009	Organization of the third international expert meeting on assessing and manipulating information processing biases, Ghent, Belgium
2009	Organising lecture and scientific meetings Paula Hertel (Trinity University, Texas): 'Habits Determine Memory Distortions in Anxiety and Depression'
2007	Organization of the second international expert meeting on assessing and manipulating information processing biases, Barcelona, Spain
2006	Organization of the second international expert meeting on assessing and manipulating information processing biases, Paris, France

I have organised over 30 symposia at international and national conferences. Selection: the British Association for Behavioural and Cognitive Psychotherapies, Manchester, England (2017); Annual Conference of the European Association for Behavioural and Cognitive Therapies, The Hague, NL (2014); World Congress on Behavioral and Cognitive Therapies, Lima, Peru (2013); Conference Alcoholism and Stress, Volterra, Italy (2011); World Congress on Behavioral and Cognitive Therapies, Boston, USA (2010); the Dutch Association of Behaviour and Cognitive Therapy (2017; 2010; 2009).

INTERNATIONAL COLLABORATIONS: Research visits

2020	Department of Psychology, Macquarie University and Centre for Emotional Health, Prof. R.
------	--

	Rapee, Sydney, Australia (postponed due to Covid)
2020	University of Sydney and Matilda Centre for research in Mental Health and Substance use, Sydney, Australia (postponed due to Covid)
2018	Cognitive Bias Modification, Expert Meeting, National Institute of Health (NIH), Bethesda, USA
2017	Attention and Anxiety, Expert Meeting, London, England
2015	Department of Child and Adolescent Psychiatry, Ludwig-Maximilians-Universität Munich, Germany
2014	Cognition and Emotion lab, Prof. C. Macleod, University of Western Australia, Perth, Australia
2014	The Developmental psychopathology, addictive behaviors, clinical psychology lab, K. Anderson Reed College, Portland, US
2014	Department of Psychiatry and Behavioral Sciences, K. Lindgren, University of Washington, US
2010	B. Mackintosh and L. Hoppitt, University of East Anglia
2009	Cognition and Brain Sciences Unit, Cambridge, England
2005	Three month research visit to the Cognition and Emotion lab, Prof. C. MacLeod, University of Western Australia, Perth, Australia

TEACHING

Undergraduate

- Member of the departmental advisory committee for the development of four novel, interdisciplinary courses in the Bachelor (Utrecht University)
- Coordinator Track Clinical Developmental Psychopathology (University of Amsterdam)
- Providing lectures in various Bachelor courses: Psychology and Science (Utrecht University); Basic Principles in Clinical Psychology (Utrecht University); Depression (Maastricht University), Scientist-Practitioner (University of Amsterdam)
- Providing lectures at the University College (Utrecht)
- Supervisor Bachelor thesis (Utrecht University and University of Amsterdam)
- Working group teacher for various courses: Anxiety Disorders (Maastricht University), Depressive Disorders (Maastricht University), Methodology and Statistics (Maastricht University), Skills training in research practices (Utrecht University), Assessment and Diagnosing (Utrecht University), Psychopathology (Utrecht University), Sexuality (Maastricht University, Utrecht University)
- Skills trainer in various courses including The behavioral, diagnostic approach (Maastricht University), Learning, Conditioning, and Context (Maastricht University), An introduction to Problem Based Learning (Maastricht University)
- Honours program, Meet the Expert (Utrecht University)

Graduate

- Coordinator Master Course "Cognitive Behavioural Therapy" (Utrecht University)
- Coordinator Master Course "Psychological Interventions for children and adolescents: Skills training", (University of Amsterdam)
- Coordinating Research Master course "Developmental Psychopathology" (University of Amsterdam)
- Providing group-based supervision for international students, Clinical Skills Lab (Utrecht University)
- Second coordinator course Anxiety Disorders (Maastricht University and Utrecht University), the research master course PHR8 (later PHR4, Utrecht University)
- Supervisor clinical internships (Utrecht University and University of Amsterdam)
- Supervisor Master and Research Master thesis (Utrecht University and University of Amsterdam)
- Practicum supervisor 'Psychological Experiments', within the course Anxiety disorders (Utrecht University)
- Working group teacher in various courses in the Master and Research Master (Maastricht University, Utrecht University and Amsterdam University)

Postgraduate

- Member of the Education committee of the Dutch-Flemish research school Experimental Psychopathology, PhD student representative (2005-2007)
- Keynote lecture Gender Mentoring Program, PhD students curriculum, Munich, Germany (2016)
- Development one-day workshop for colleagues 'Structured Clinical Interview for DSM-IV Disorders' (Utrecht University, 2007)
- Designing and coordinating the Dutch-Flemish EPP symposium for PhD students 'The ten commandments of good clinical research' (2005; 2006)

- Designing and coordinating the Dutch-Flemish EPP symposium for PhD students 'The Art of Making Impressions: How to write and defend research proposals and present yourself to the media' (2007)
- Supervising research projects in the post-graduate Clinical Psychology curriculum
- Keynote lecture "Anxiety, Alcohol, and Automatic processes" during the annual research day of the Dutch-Flemish Experimental Psychopathology research school (2012)
- Keynote lecture in the symposium "Pressure to impress? On the where's, how's, when's and what's of selling your ideas", Dutch-Flemish Experimental Psychopathology research school (2013)

PRESENTATIONS

I have given over 60 talks at national and international conferences and meetings. A selection of the meetings and symposia I have organized are summarized in the section Organisation of Scientific Meetings. Below I present a selection of the invited presentations.

Oral presentations at International Conferences or Advanced Schools

In the past years, I have been invited to speak at international established conferences 20 times. A selection:

- Invited presentations at the annual convention of the Association for Behavioral and Cognitive Therapies, Washington (2018), Philadelphia, (2014; 2007), USA.
- Invited presentations at the World Congress on Behavioral and Cognitive Therapies, Boston, USA (2010); Barcelona, Spain (2007)
- Invited presentations at the annual convention of the European Association for Behavioural and Cognitive Therapies, Sofia Bulgaria (2018); The Hague, NL (2014); Reykjavik, Iceland (2011); Paris, France (2006)
- Invited presentations at the annual conference of the British Association for Behavioural and Cognitive Psychotherapies, in Warwick (2015); Exeter (2009), England
- Invited speaker at the Neuroscience and Psychotherapy meeting of the European College of Neuropsychopharmacology; Nice, France (2016)
- Invited presentation at the Cambridge Cognition and Brain Sciences Unit, Cambridge, England (2009)
- Invited presentation at the Expert Meeting on Cognitive Bias Modification, Ghent, Belgium (2009)
- Invited speaker at the Hersencongres, Amsterdam, NL (2018).

Invited presentations at national conferences/research seminars in mental health institutes. Selection:

- Invited presentations at the meeting of the Dutch Association of Behaviour and Cognitive Therapy, Veldhoven, NL (2013; 2011; 2010; 2009; 2007)
- Invited presentation at the Conference "Quit your Addiction!" Zeist, NL (2014)
- Invited workshop at the Research Conference "Addiction", Amsterdam, NL (2013)
- Invited presentation at the conference "Control your Anxieties", Amsterdam, NL (2012)
- Invited presentation at the meeting of the Dutch Association of Psychiatry, Poortugal, NL (2009)
