

List of dissemination activities including seminars, talks and media appearances Dr. Yann Robiou du Pont

Public Conference seminars

- 10.03.2023 *12h de dialogue international : Les droits de l'homme sous la crise climatique*, WYCI, **Online**
- 22.02.2023 *Consultative meeting "Climate crisis and young people"*, **Online**
- 10.11.2022 *Press Conference with Vulnerable Countries for release of the "Traffic Light Report"*, at **COP27**, **Online**
- 08.11.2022 *Quand le travail scientifique rencontre l'urgence écologique*; *Le Lieu Unique, Nantes*; **Online**
- 03.06.2022 *The need for a multi-disciplinary approach in defining asks for climate litigation*; *Aix University*; **Online**
- 20.01.2022 *Au-delà de l'objectif de la Loi Climat & Résilience – Justice globale*. *ULCO, France*. **Online**
- 04.10.2021 *Climate justice to limit global warming*, at **Umundu Festival**, Lisbon, Portugal. **Online**
- 10.07.2021 *L'alliance des Territoires face au double défi Climat – Santé*, *Nantes Zéro Carbone*. **Online**
- 16.01.2020 *A just climate transition: How can scientists contribute to divestment?*, at **Investing in our future, divesting from our past**. From climate risk to climate opportunity, University of Bergen. **Online**
- 21.08.2020 *Talk on climate justice*, at *Bergen Exchanges 2020: Science in Climate Litigation – Epistemic Communities at work*, Bergen. **Online**
- 10.12.2019 *Informing the revision of NDCs: What can long-term strategies bring to NDCs?*, at **COP25**, Madrid. **Online**
- 07.12.2019 *La science pour informer le devoir de réduction de GES par les états*, **COP25**, Madrid.
- 16.10.2019 *Defining and enforcing ambitious mitigation trajectories for the oil industry*, **Beyond Oil Conference**, University in Bergen. **Online**
- 10.12.2019 *Après la cop25 trajectoires des Etats*, **Colloque Fabrique d'un droit climatique 1.5°C**, University of Toulouse. **Online**
- 10.07.2015 *Distributing the global RCP2.6 emissions: five versions of 'fair' country level allocations*, **Poster at Our Common Future under Climate Change**, Paris.
- 18.11.2014 *5th IPCC Report: Insights on carbon budgets and emission trajectories to stay below 2°C warming*, at **Forum of the French Researchers in Australia Network 2014**, University of New South Wales.
- 26.09.2016 *Universities as drivers of climate change research and action: Learning from the University of Melbourne*, **Climate Chance Nantes**
- 22.09.2016 *1.5 Degrees: Meeting the challenges of the Paris Agreement*, at **1.5 Degrees: Meeting the challenges of the Paris Agreement**. **Online**
- 11.11.2020 *Open Climate Dialogue 1 | Paris Agreement*. **Online**

Academic talks and expert workshops

- 21.02.2024 *Climate justice in Practice: from global goals to local implementation – Workshop with city decision makers, civil society and cooperation agencies in Bergen*
- 17.10.2023 **Beyond Oil 2023: Refuelling Transformation** - Emissions targets are not what we need from fossil fuel companies
- 01.09.2023 **2023 ESIL Annual Conference, Aix-en-Provence Is international law fair? – Panel on The Implementation of the Paris Agreement: Where is Fairness?"**
- 14.08.2023 **2023 Bergen Exchanges**, Roundtable: How to create inclusive epistemic communities for transformative climate policy
- 24.03.2023 *Quantifying equitable emissions allocation under the Paris Agreement to assess climate pledges' ambition*, *IPWSD, Columbia University*
- 02.03.2023 **Translating Climate Science for the Human Rights Court Room: An Interdisciplinary Encounter between Science and Law**, University of Strasbourg/Ghent, **Online**
- 17.02.2023 *Perspective on the use of equity metrics for ambition assessment of climate pledges*, **Georgetown University, Online**
- 21.11.2022 *La fabrique de la preuve scientifique au prétoire : retour sur les présentations des trajectoires de réduction les plus équitables aux juges*. Séminaires : *L'urgence écologique au prétoire*. **Sciences Po Toulouse**. **Online**
- 06.12.2021 *Scientific evidence for climate litigation (with Pr. Christina Voigt)*, at **University of Oslo**.
- 19.10.2021 *Debate on the role of climate litigation to drive climate action (with Pr. Christian Azar)*, **University of Gothenburg** (virtual).
- 06.2021 *Climate economics proposals*, **Ecole Polytechnique**
- 29.05.2021 *Climate Generation: Our Planet, Our Rights, Our Future - FutureClimate youth and activism*, online for the **Council of Europe**. **Online**

- 19.05.2021 *Evaluer l'ambition climatique des villes / Assess city climate ambition*, Online for **City of Nantes** representatives
- 14.01.2020 *The Equity Quest and Transdisciplinary Method for a Just and Inclusive Low-Carbon Society*, **Law faculty at University of Bergen**.
- 21.11.2019 *Informing and assessing 'State Determined Contributions' to achieve the Paris Agreement*, Launch of Jean-Monnet program "Subnational transatlantic relations: the rise of State and local climate partnerships" with Ambassadors/Mayors/NGOs, online with **Georges Washington University**.
- 01.10.2019 *Scientific evidence for climate litigation*, at **ClimaLex workshop series, University of Paris**.
- 12.09.2019 *Attribuer la responsabilité de réduire les émissions de GES*, Special event on the litigation case I worked on with Prof. Dr. Gerd Winter, at **University of Rennes**. **Online**
- 02.07.2019 *Evaluer l'ambition des NDCs*, at **French Ministry for the Environment and Sustainable Transition**
- 23.05.2019 *Attribuer la responsabilité de réduire les émissions de GES*, at **ClimaLex workshop series**, with IPCC lead Author Dr. Valérie Masson Delmotte, **University of Paris**.
- 09.05.2019 *Achieving the Paris Agreement: Can we agree to disagree on climate justice? Quantifying metrics for competing Views on effort-sharing*, at **CICERO**
- 13.02.2019 *Warming assessment of the bottom-up Paris Agreement emissions pledges*, Webinar: Equity in the global stocktake, for the **independent Global Stocktake Initiative**.
- 14.01.2019 *Achieving the Paris Agreement: Can we agree to disagree on climate justice? - Warming assessment of the bottom-up Paris Agreement emissions pledges*, **Bjerknes Centre, University of Bergen**.
- 21.11.2018 *Achieving the Paris Agreement: Can we agree to disagree on climate justice? - Warming assessment of the bottom-up Paris Agreement emissions pledges*, at **Mercator Research Institute on Global Commons and Climate Change**
- 31.05.2018 *Achieving the Paris Agreement: Can we agree to disagree on climate justice? - Warming assessment of the bottom-up Paris Agreement emissions pledges*, at **IDDR**
- 22.05.2018 *Achieving the Paris Agreement: Can we agree to disagree on climate justice? - Warming assessment of the bottom-up Paris Agreement emissions pledges*, **Fondazione Eni Enrico Mattei, University of Milan**
- 16.05.2018 *Achieving the Paris Agreement: Can we agree to disagree on climate justice? - Warming assessment of the bottom-up Paris Agreement emissions pledges*, **University of Graz**
- 07.02.2021 *Cap au Nord2020 : Webinaire 3 Oceanographie physique*. **Online**
- 28.07.2017 *Climate justice: Can we agree to disagree? PhD completion seminar*, **The University of Melbourne**. **Online**.
- 20.04.2017 *Fair emissions under the Paris Agreement Focus on Australia's allocation*, Briefing for lawyers on recent developments in climate science Roundtable Discussion, **McKenzie law firm**

Teaching – University guest educational lectures

- 02.2023 Master of Environmental Humanities at the University of Nantes
- 02.2023 Master of Business – Audencia Nantes
- 04.2022 Considerations on climate justice, Master's HVL University of Western Norway
- 07.03.2019 Measuring justice and ambition under the Paris Agreement, Master's, Sciences Po.
- 2019 to 2022 Measuring justice and ambition under the Paris Agreement, CEA.
- 03.02.2020 Climate litigation and measuring ambition, Master's in Law, Sciences Po Paris.
