

Course overview MA Intercultural Communication MULTILINGUAL track

Period 1				*Language requirement The Admission Committee assesses your language skills and decides which language-specific courses you may choose. **Masterlanguage All students are allowed to replace or supplement the language specific courses with those on offer in Masterlanguage. Especially for Spanish, Italian and French, relevant courses are available. More information about these courses and registrations is available on the (Dutch only) Masterlanguage website . ***Eurocampus During a four-month intensive English programme (30 EC), you will take classes taught by international experts and build up an international network. You will do 15 one-week courses on themes such as English as Lingua Franca, Linga Receptiva , management, human rights, globalisation and European unification, cultural anthropology, new media and intercultural training. The Eurocampus programme is equivalent to the Utrecht MA programme. Please indicate in your motivation letter that you want to take part in Eurocampus. There will be a separate selection procedure. From every partner university a max. of 5 students may join. >> More information ****Internship The internship is 15 EC. When you take part in Masterlanguage, there will be a deduction of 5 EC per course.
