

### 13. Tower Room (Torenkamer - Faculty Club)

#### History

The Tower Room is located on the second floor of the medieval tower and can only be reached via the stairs. After 1813, this part of the building was in use as the police headquarters. The Tower Room was used as a cell to 'restrain' suspects.

#### Hall/room capacity

Oval table (standard)                      10 persons

*No other configurations are possible in this room.*
