The Russian invasion of Ukraine has caused a momentous shift in German foreign policy and its role in world politics. How to gauge this Zeitenwende (Scholz) from a historical perspective?

In a Dutch-German encounter, Prof. Jacco Pekelder (Münster) and Prof. Eckart Conze (Marburg) will shine their light on this seismic change in Germany’s foreign policy role conception. The discussion will be moderated by Prof. Beatrice de Graaf (Utrecht).

Friday, 13 May 2022, 15:00h - 18:00h.
Paushuize, Kromme Nieuwegracht 49, Utrecht.
Doors open at 14:30.
