16 MSc Programmes

15 PhD Programmes

1.739 active MSc students

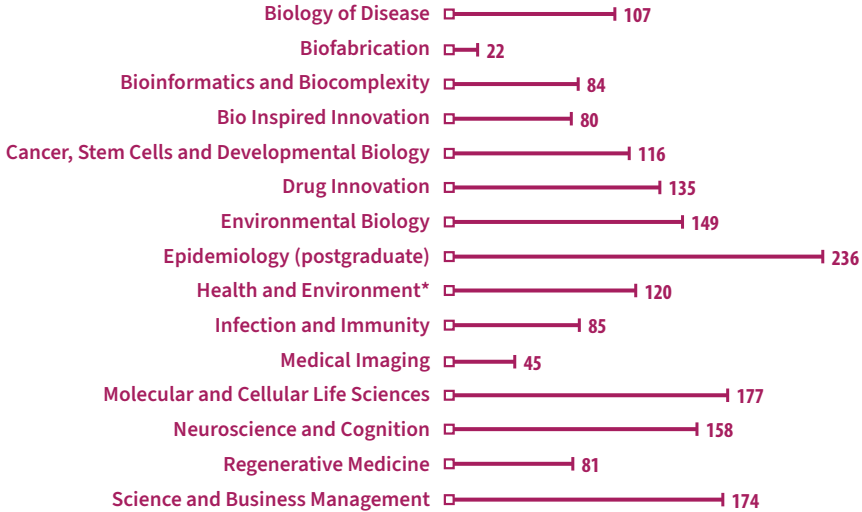

2.133 active PhD candidates

Faculty of Medicine: **1500**

Faculty of Science: **401**

Faculty of Veterinary Medicine: **232**

Master's Programmes number of active students

**incl. One Health and Toxicology and Environmental Health*

PhD Programmes number of active candidates

Numbers obtained from MyPhD, December 4, 2023

Highlights General

- ☑ Start of our third and **new domain**: Continuing education.
- ☑ Second edition of the creative '**I art my science**' event for all students, PhD candidates and staff of GSLS.
- ☑ The **GSLS strategy day** to connect and collaborate cross faculties and domains towards future goals.

Highlights Master

Admissions

- ☑ **Continuous high interest of students** in Life Sciences programmes with more than 3300 applicants to (online) open days.
- ☑ New process to **increase conversion rate**: from admitted applicants to registered starters.

Curriculum

- ☑ Master's programme **Biology of Disease** gained a new focus and was renamed **Cardiovascular Health and Disease** starting 2023-2024.
- ☑ Successful pilot of a new master course to improve soft skills: **Professional Identity Education**
- ☑ Launch of the **Supervision Expectations and Evaluation Dialogue (SEED)** tool for bidirectional feedback during research projects.
- ☑ Creation of a serious game for understanding **Challenge based learning: the grand CBL game**.

Community and communication

- ☑ New **overview** of all programme related and elective GSLS courses on the Students' site.
- ☑ Many interesting new episodes of the podcast series **Radio life sciences**.

Master in numbers

2.054 Applications

559 Starters

27% Internationals

190 Programme courses

27 GSLS elective courses

8 Profiles within programmes

Up to **96** EC individual research

505 MSc diplomas

PhD in numbers

100 GSLS training certificates

313 Doctoral thesis defences

157 PhD Course Centre courses

2.847 Course participants

91% of the participants recommended our courses

1.948 Subscriptions to the biweekly PhD Update

Highlights PhD

Courses

- ☑ Start of [monthly introduction meetings](#) for new GSLS PhD candidates.
- ☑ Launch of the third module of the 4-year training [Responsible Conduct of Research](#).
- ☑ The portfolio of Bioinformatics courses has been extended with [bring-your-own-data training](#).
- ☑ [Courses of the UU Development Guide are open](#) to all types of PhD candidates that will graduate at the UU.
- ☑ At the end of 2023 a [new version of the PhD Course Guide](#) and a [new Course Guide for PhD Supervisors](#) was compiled.

Events

- ☑ The last week of May the first [GSLS Life Sciences PhD & Postdoc Career Days](#) was organised with over 200 participants.
- ☑ June 23rd the annual [GSLS PhD Day](#) with theme 'Skillng me Softly' was organised with 170 participants.
- ☑ During spring the sixth edition of [Breaking Science](#) was organised with 20 participants from the GSLS. Winner was [Kulsum Dawoodhboy](#) from the PhD programme Infection and Immunity and member of the GSLS PhD Council.
- ☑ October 12th the GSLS PhD Council awarded good PhD supervision during a festive event. [Renske de Kleijn \(UMCU\)](#) was awarded as co-supervisor of the year and [Bas Weusten \(UMCU\)](#) as supervisor of the year 2023.
- ☑ November 27th [the first event for trainers of the PhD Course Centre](#) was organised to connect and exchange experiences.

Quality Assurance

- ☑ The director and coordinator of doctoral education have [visited all PhD programmes](#) to be informed about the current situation including successful activities and current challenges.
- ☑ In May/June [the first PhD Supervisor Survey](#) was organised with >350 completed responses.
- ☑ In December the [Life Sciences deans visited the PhD council](#) to discuss their recommendations based on the GSLS PhD survey results.
