ISSOTL23: Let's get started!

After months and months of preparation, the eagerly anticipated ISSOTL23 conference is finally off to an amazing start! The Centre for Academic Teaching and Learning (CAT) at Utrecht University, in collaboration with ISSOTL, extends a warm welcome to all attendees at the Railway Museum for a fantastic kickoff.

Following ten enriching pre-conference workshops, it's time to connect with both familiar and new

friends of ISSOTL while savoring a refreshing beverage at the Vriendenplein, nestled amidst the railway cars.

If you're new to ISSOTL, don't miss the 'New to ISSOTL' gathering in Wachtkamer 3, offering an inspiring and interactive session to acquaint yourself with ISSOTL and details of the ISSOTL conference.

At 18:00, the unique opening session will shed light on the main themes of the conference, provide practical advice, and promise a delightful surprise! But it won't be a one-way conversation; your active participation is encouraged! Following the session, a delicious street food dinner will be served. Don't forget to capture memorable moments at our photo booth, complete with Dutch-themed props.

Enjoy every moment of your first day!

Let's connect, engage, and celebrate our collective journey at ISSOTL23!

We encourage you to share all your experiences via social media using #ISSOTL23 @ISSOTL and @CAT_UUcentre. Together let's be a collective voice for ISSOTL23!
