INSTRUCTION PROCEDURE FOR DIGITAL SIGNATURE OF CANDIDACY

STEP 1
A Microsoft Teams site has been created for all candidates of the University Councils (“Team “Centraal Stembureau Team Online Kandidaatstelling”). This Team is used to make the models and instructions created by the Central Electoral Office available to the candidates.

STEP 2
A channel is added to the Team “Centraal Stembureau Team Online Kandidaatstelling” for each of the list submitters. Please note that access to each of these channels should be restricted to the relevant list submitter in addition to the Secretary of the Electoral Committee. As such, list submitters will only have access to their own channels and will not have access to the channels of other list submitters.

STEP 3 – Digital signatures
The digital signature process is carried out through ValidSign, see https://intranet.uu.nl/en/news/announcements/new-portal-for-signing-documents.
Staff members all have automatic access to this portal, students and students with staff status have not, they must request access via servicedesk@uu.nl, plus cc to digitalehandtekeningits@uu.nl!

A model has been created for each document to be signed:
- List of Candidates
- Declaration of Consent
- Supporter statement

These models are available in Team “Centraal Stembureau Team Online Kandidaatstelling”

Activities for List of Candidates
1. List submitters will adapt the document for their own list of candidates
2. List submitters will upload the adapted document via ValidSign and sign it
3. List submitters will receive the signed candidate lists and will submit them to the EC by posting them in their channel on the Team “Centraal Stembureau Team Online Kandidaatstelling”

Activities for Declaration of Consent
1. List submitters will adapt the document for their own list of candidates
2. List submitters will upload the adapted declarations via ValidSign and will invite each of the candidates to sign the documents (please note that this step must be repeated for each candidate individually!!)
3. Upon receipt, candidates will provide the relevant details, date and sign the declarations
4. List submitters will receive the signed declarations and will submit them to the EC by posting them in their channel on the Team “Centraal Stembureau Team Online Kandidaatstelling”

Supporter statement – activities (only for new candidate lists)
1. List submitters will adapt the document for their own list of candidates (please remember to add the list of candidates!!)
2. List submitters will upload the adapted statements via ValidSign and will invite each of the supporters to sign the documents (please note that this step must be repeated for each supporter individually!!)
3. Upon receipt, supporters will provide the relevant details, date and sign the statements
4. List submitters will receive the signed declarations and will submit them to the EC by posting them in their channel on the Team “Centraal Stembureau Team Online Kandidaatstelling”

Please note that in the event that digital signatures have already been collected using a different method, these files can also be uploaded to the MS Teams channel of that list.
