

Last year, the University Council once again worked hard for your interests. Would you like to know what we have achieved?

Guidelines for the Strategic Plan 2025

- More democratisation
- More Internationalisation
- More cohesion among university and faculty's Strategic Plans

Education and Student Affairs

- Discussion on influence of the education committees and the Faculty Councils on education and examination rules
- Positive evaluation on the pilot Flex Studying
- More recognition and appreciation for student board members

Work Pressure

- Active in the #10.000 hours campaign to alleviate teachers' work pressure
- Awareness raised for temporary staff and work pressure

Internationalisation

- International council members for the first time
- Pilot "receptive language" to facilitate participation of international members of University Council

Democratisation and Transparency

- More transparent Executive Board: minutes are online
- Student Assessor in the Executive Board in the next academic year
- University Forum and petitions initiated

Sustainability

- Composting bins for waste circularity installed
- Sustainability start up fund
- Action against fossil fuel investment of pension fund ABP

Covid-19

- Critical stance towards online proctoring and 2nd camera
- National lobby for easing Binding Study Advice during covid-19
- Student associations appreciated and recognised

Well-being

- Improvement complaints procedures and rights complainant
- Realisation of function of "ombudsman"
- Revised misconduct rules and creation of a task force to end sexual misconduct

Diversity and Inclusion
