

## **Diversity Months March and October**

March and October are the two diversity months within Utrecht University. In these months, the EDI Office organises activities around various diversity themes. For this purpose, they collaborate with all kinds of parties within Utrecht University, including diversity networks.

### **Organising activities**

As a network, you can organise an activity together with the EDI Office during a diversity month. Networks can also join forces and initiate an event together. In the [half-yearly meetings](#) with the Diversity Network Coordinator, but also throughout the year, you can present ideas and early plans to the Diversity Network Coordinator.

### **Additional funding**

Are you organising an activity together with the EDI Office during a diversity month? If you do, a separate budget is available for this purpose. The costs are not deducted from the annual budget of the diversity network.
