

# PhD & PDEng HACKATHON

# VITALITY & SOCIETY

17 - 18 January 2018

## WHAT?

The assignment in this hackathon is to invent and develop new, smart solutions for real vitality issues or organizations in three social domains: work, education & urban.

## FOR WHO?

PhD and PDEng students from different areas of expertise (technology, ICT, public administration and organizational sciences, sociology, management, psychology, geography a.o.).

## WHY PARTICIPATE?

All participants will have an enriching experience and will enlarge their professional network in both science and practice. The winning team will earn an attractive selection of prizes that can prove to be valuable for their scientific career.

## SIGN UP!

Participation in this unique event is free of charge. There is room for **only 25 candidates**. Are you interested? Sign up as soon as possible by sending an email to [info@vitalityacademy.eu](mailto:info@vitalityacademy.eu)
