Uit één rij zoveel je wilt

(dus tenminste één, ten hoogste alle).

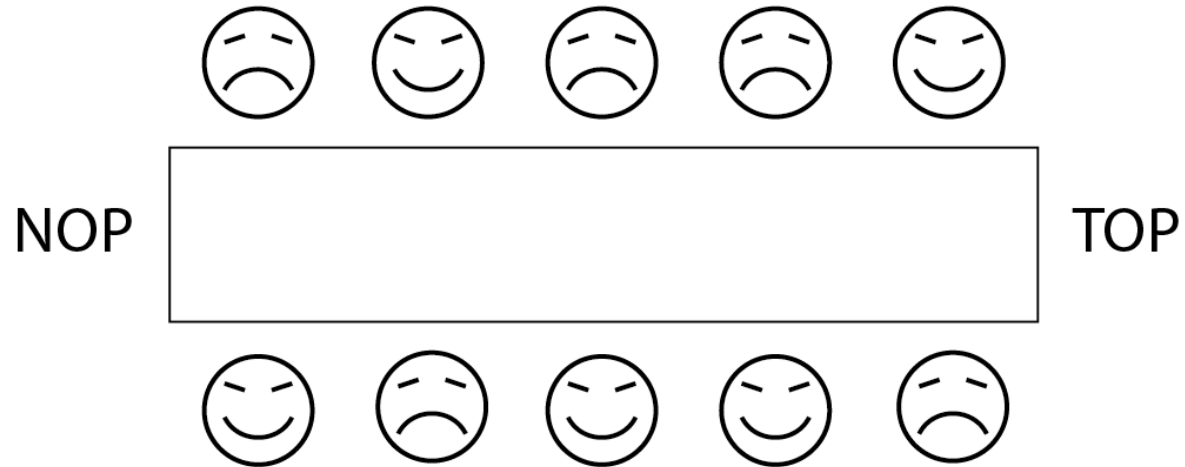

Wie de laatste lucifer moet wegnemen, heeft verloren.

NIM

NIM

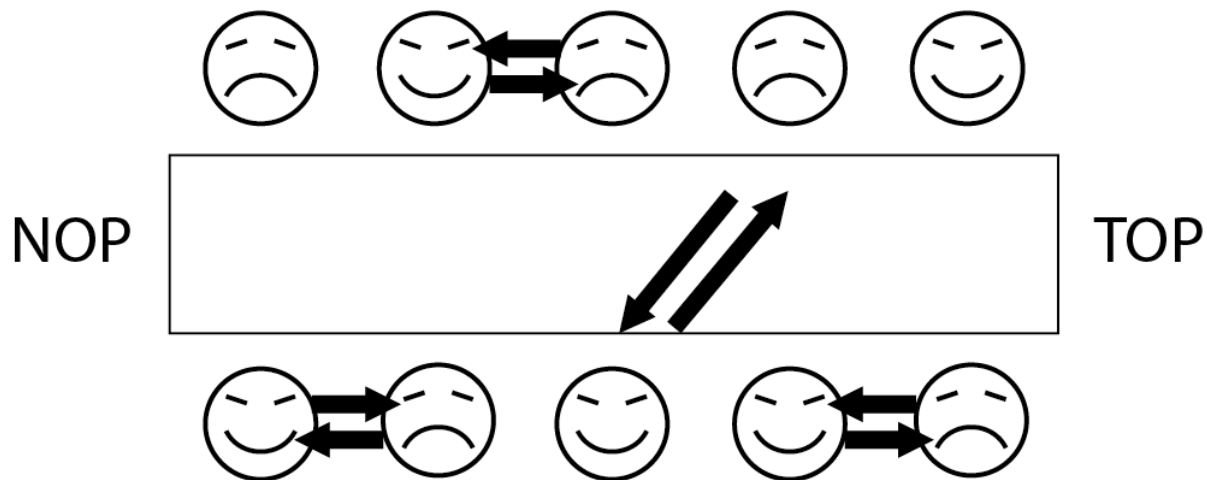

verliezer: één naar TOP, of blijf op TOP

winnaar: één naar NOP, of blijf in NOP

en misschien even oversteken

Allen even, dan win-stand.

Zo niet dan kun je er met één zet een win-stand van maken.

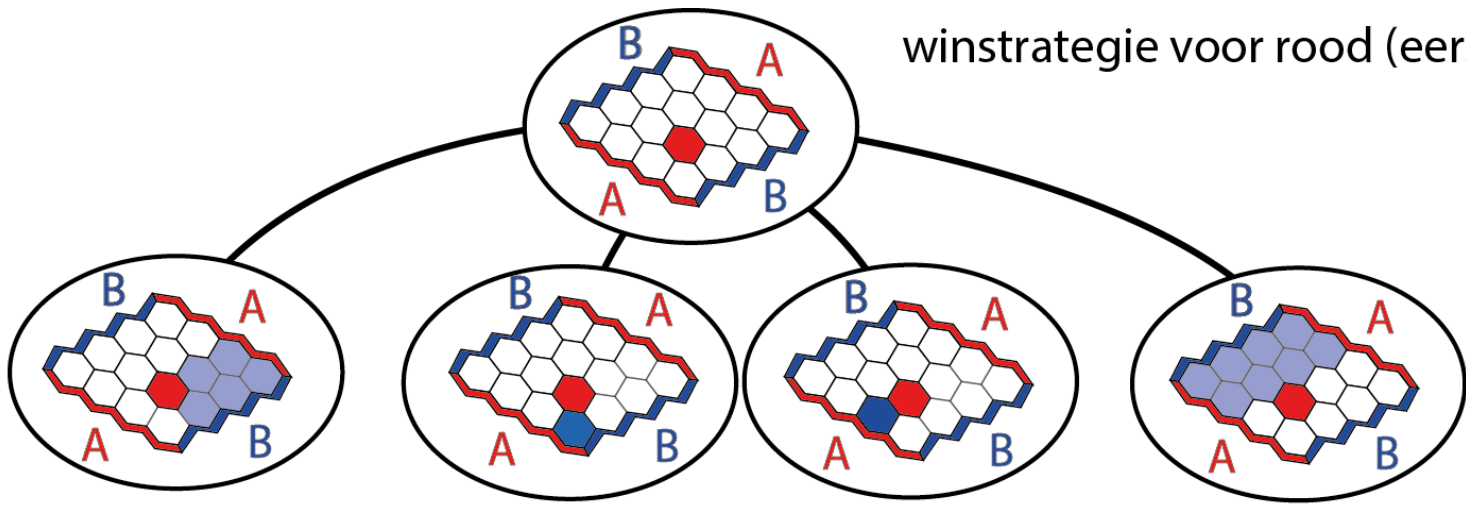

HEX

A of B of remise?

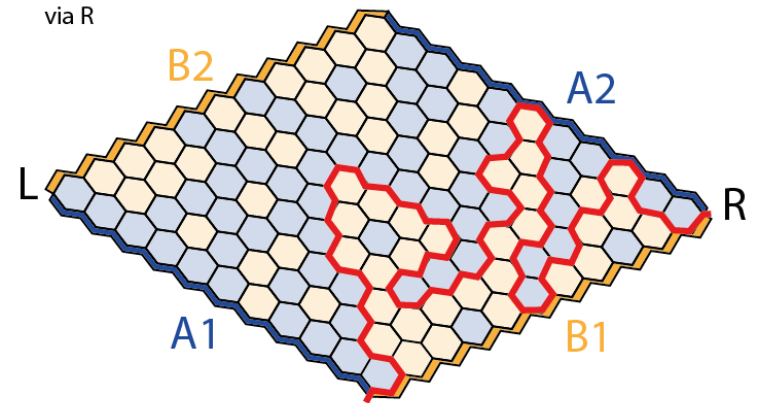

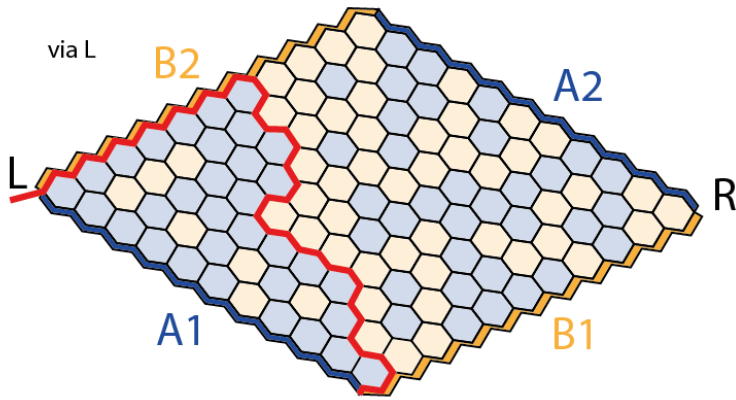

HEX

kan niet gebeuren

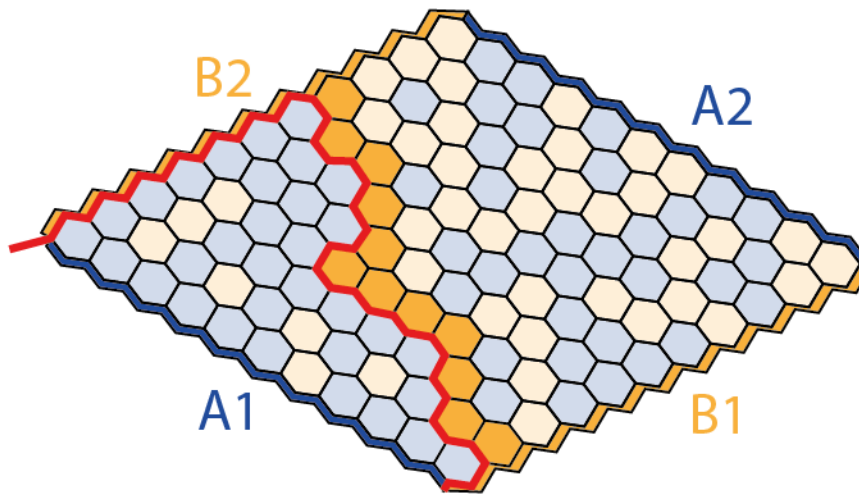

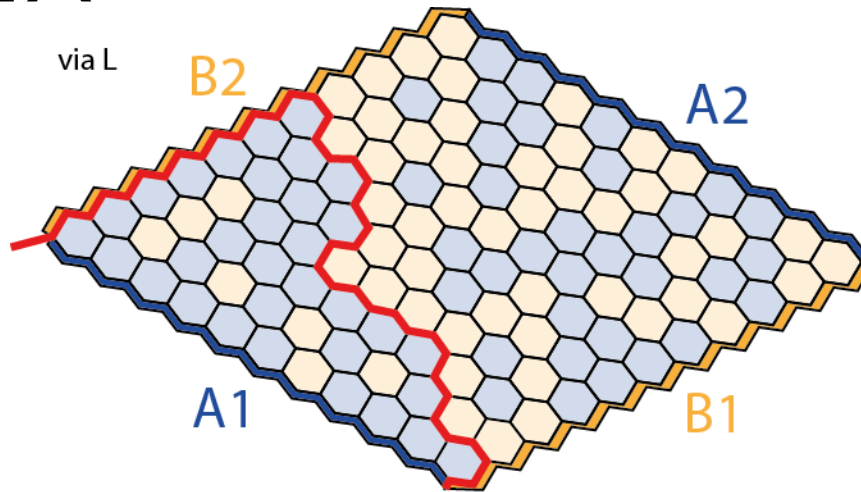

kan niet via X naar buiten gaan
dus gaat naar buiten via L of via R

HEX

kan niet vastlopen binnen het veld
kan alleen bij L of bij R naar buiten

HEX

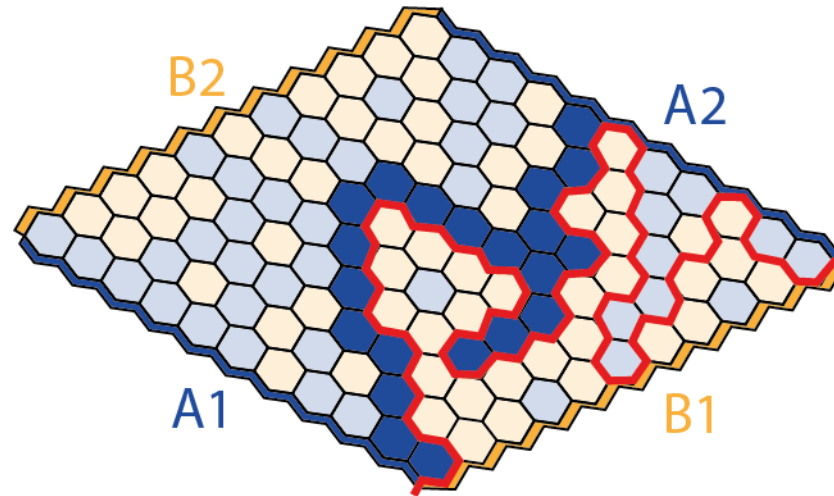

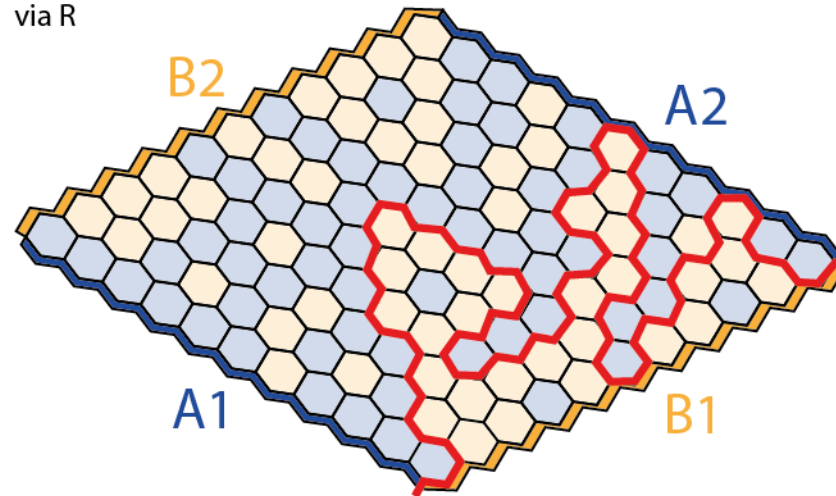

Verlaat ergens B1 voor hij in de hoek is, anders gaat hij via R naar buiten.

Bereikt ergens B2, uiterlijk als hij via R het veld verlaat.
