

## Diploma equivalency list

International applicants should have a foreign equivalent of the Dutch VWO-Diploma (pre-university education). You can check whether your diploma meets this requirement in this diploma equivalency list. Please note that this does not guarantee admission, nor can you derive rights from this list. Note as well that, depending on the Bachelor's programme of your choice, subject-specific requirements and/or language requirements may apply. Please refer to the webpages of the Bachelor's programme of your choice for detailed information.

If your diploma is not listed, it may still be an equivalent of the Dutch VWO-Diploma, but additional requirements regarding subjects taken and grades obtained may apply. For details, please feel free to contact the [Admissions Office](#).
